“ *I recall several nights I layed awake trying to think of a word she had asked me about while working her crossword puzzles. I would go to visit her and beg her not to ask me about any other words for her puzzles! We laughed about that OFTEN! She was a blessing in my life, Michael, and I know yours and many others whose life she touched. I miss her very much and will never forget her. She spoke of you very often with love and pride. Tilly was a very special woman*
