“ Dear Bobby and Terri Easton:

I am so sorry to hear of Matt's death. From what I knew of him, he was a real cute, good child. He came to my house one day several years ago to play with the kids. Candy Harris, my neighbor, brought him by with her son Justin. She told me he was such a polite, dear boy. She really liked him and she and her family are quite shaken up over this. As a parent, I can only imagine how traumatic this must be for you. I wish I could do something to help ease your pain. Please know that my thoughts and prayers are with you and your family May God bless you and help you at this most difficult time.

Sincerely,

Meryem Grammick, Nokesville neighbor

“ God Bless to all that loved Matt, he was truly a wonderful person. Though I didnt know him all that well, the times we did talk there was never a negative thing to say about him, he was always laughing or smiling. Brentsville will miss you so much Matt, we'll be with you soon enough.

“ Matt was a wonderful person. He will be missed greatly. When he is looking down on us from Heaven I know he will be smiling at knowing how many people truly love and care for him and miss him. He will know how many people's lives that he touched and enriched. He was one of the most polite of Chris and Nathan's friends. We enjoyed every visit that he blessed our family with. We know that he is in Heaven watching down over all who loved and cared for him.

“ I remember Matt as a Fun and Kind Person. Even though we went to different schools this year I always felt fondly of Matt. The last time we saw each other was at the county fair and hanging out at Nokesville Day last year. We always had a great time when we saw each other. Always remember Matt with a Big smile and a kind heart! I want to extend my deepest sympathies to his family! He'll always live in our hearts!
