Keep blessing us Matthew; I know that all the postivities in life are your handiwork. You and God. That keeps me going..my Gift from God is now with God. And, you are with me, too. Every minute of everyday, you are in my heart ...Mommy loves you, Scooter. Xoxo.

“ I miss you sooo much!!!! You were the most humble, warm hearted, strongest person I had in my life for a long time!!! I will always love you more than words can explain! I thought I was to young and naive for you at that time in our lives but truth you were the realist person I've ever met!! I'll see you soon babe!

“ *My Dear Son Matthew, I love and miss you so. I cannot begin to describe how empty my heart feels at this moment. I cannot begin to tell you how painful this is. I think part of me is still in shock and sometimes I feel myself just slipping inside of myself. But I can't and I won't. I promised you that I would take care of your Brothers and I will. I will honor you and carry you in my heart every minute of everyday. Someday I'll learn to smile again. Someday I won't be afraid to be around other people. Feel free to help your Mama Bear along. I need my #1 back. But I know you are with God and that is where God decided you should be. I wish He would have asked me first! I wish I understood any of it! Do you know how much we all love you? Did you realize how very many people loved you? I love you Matthew. I miss you Matthew. God Bless you.*

“ *Agree to disagree? No one could argue that better than you and I my friend. Everyone is trying to find the new normal without you. But I must say, knowing you are finally in the arms of an angel, free from all of your demons and earthly struggles, and knowing that void inside that nobody could fill is finally overfilled with an eternal happiness, brings me no greater joy. You will be missed brother. Please carry your mom and brothers through these tough days that promise to follow.... Know they will do everything in their power to live their lives honoring your memory. Rest in peace- Please stay by our side, always.*
