“ I'm so sorry to hear of Matt's passing. I lived down the street from Matt as a kid and will always remember his kindness. While most of the older kids would dismiss us, Matt didn't. He would talk, interact with us and it was always done with kindness. They say you remember how people treat you and I have remembered how Matt and his Mom, Carol, treated me, with a genuine, caring and loving heart.

*My prayers go out to all of you,

“ Matt, “How about dem boyz?”. So many years of memories and our love for the Dallas Cowboys. We will so miss your big contagious smile and kindness. You touched the heart of many and the world will be a little sadder without you. But while you are up there learning how to fly with your Angel wings, maybe you give our boyz get a Super Bowl ring .

*My deepest sympathy for your parents and children.*
