“ so very sorry for your loss, I didn't know Ms. Hazlett personally but I worked with her daughter Cindy and Ms. Hazlett made me a blanket back then and then when she found out I was having my son 4 years ago, a member of her church brought me a blanket she had made for him that he still sleeps with. May she rest in peace.

“ I have worked at Costco for almost 19 years, this is where I met Mattie. She was such a kind lady. She gave a hug to everyone as she shopped. I would always ask her how she was and she always answered the same way "terrible", I would tell her if she every said she was fine I would be concerned. May of us at Costco will miss her greatly. When my daughter was little Mattie watched her a few times. My daughter now works at Costco as well. Mattie would always ask "where's my girl, is she working today". A few days ago we were talking and Mattie came up, we were saying we hadn't seen her for a while. We were sad when we learned of her passing. I will pray the family finds comfort is some way during this difficult time. I for one will be missing my hugs.....
