“ Our hearts are heavy...
Reese you were always so special to me and I considered you family. You were such a big part of my life growing up and always were so loving and kind to both me and mom. I am so sad for your family...my heart breaks. You were and always will be so loved. I love you and thank you for always taking such good care of me when I was younger and for your endless love throughout the years. Prayers to Reese's family and extended family. You are in our thoughts and just know how much we love you.

“ *My Dear Sweet Sister
I will always miss you. My heart aches for the entire family. You left us so suddenly and so unexpected that we still are having trouble coming to terms with it. You have given others the gift of life to go on. With our family grieving their families are celebrating with them and thanking God for you. I love you little sister. I thank God for everyday we had with you.
