“ I grew up with Max in Lawton, OK. We both attended church of Christ at 6th and Arlington. Remember his folks and his sister well. His dad - Ed - was song leader many years. Max was such a nice person. Last time I saw him has been some years ago at a class reunion here in Lawton. So sorry to hear of his passing. My prayers and sympathies are with his family. “ Max was one of the nicest men and neighbors I have ever had in my life. I will miss him every single day going forward and I will see him smiling down on me as I drive into my home every single day. He made everyone feel very special. He had a way of making life have sunshine on a rainy day. I will miss him wholeheartedly and know that he is in heaven smiling down on us.

“ We are so sorry to hear the news. Max was one of the first strong Christian men I met at Manassas. It was privilege and honor to know and call him friend. Even though I know he will be missed, everyone that knew Max is confident that his eternal reward and the promise of being with Jesus forever awaits him. I will always have warm memories for you Max. I look forward to joining you some day in the place that has been prepared.

“ While working at Century 21 Capital Realty, Max and I shared many good times with business. He shared the progress of his daughter's medical invention, because of my medical background. Relay for Life was a fun time for many years. Max was a true friend .
