“ Carla, Deby, Donna and Ken, my heart is heavy with sadness. Faye was very dear to me and I will miss her. Praying for you all to find comfort in knowing she is with the man she has always loved and they are whole again. I love you all.

Faye, I am so saddened that you left us. I know you are with Carl and that your heart was never the same without your other half. You and Carl always treated me as your own as I was welcomed into your home and family . When I was a child your home was my safe haven. I think I was there everyday in your home for at least 12 yrs. straight. Some of my fondest memories are with you and your family. You hold a very dear place in my heart and I will miss you my sweet friend.
