“ Angela, It is incomprehensible that you would suffer the loss of the
granddaughter you so proudly shared with your patients. She was a
gift and her smile was evidence of that. Now we must wait until
heaven to complete the love that was started here. The consolation
is that she is in His arms. May you know that you are also.

“ Although we never had a chance to meet McKinley, Curtis and I felt as if we knew her. Angela' love for her granddaughter was shared through pictures and stories as we visited at Gentle Dental Care. May our Lord wrap His arms around and comfort you, precious family, as you walk through this dark valley. Psalm 23
