

Melinda Diane Roberts

June 9, 1966 - May 25, 2022

It is with great sadness that the family of Melinda Diane Roberts (née Murray), of Springfield, Virginia, announced her passing Wednesday May 25, 2022, at the home of her sister due to complications from Glioblastoma at the age of 55.

She will be lovingly remembered by her children, Amanda Roberts and Steven Roberts, and their father Daniel W. Roberts and his wife Jenny Roberts, her mother, Arlene F. Murray (née Dulaney), her sister Sherrie Murray-Schull and her husband Mark C. Schull, along with their daughters Amber N. Schull and Lexi A. Schull, her Uncle George T. Dulaney and his wife Anna Dulaney and many beloved second and third cousins.

She will also be dearly missed by her loving family at Burke Community Church, Burke, VA.

Melinda was predeceased by her father Charles "Steven" Murray.

Melinda graduated from George Mason University with a Bachelor of Science in Marketing. For the latter part of her professional career, she was a Financial Analyst for various Department of Defense and Military agencies. However, one of her greatest honors was being part of the team that delivered the JSF C4ISR Plan. She would always reminisce of how they were all more than coworkers they were family.

Melinda was a devout Christian and a member of Burke Community Church who loved the word of God and participating in various church groups and activities throughout her life.

Melinda was a mother first; she loved her family without regard and would do anything for them.

She was regularly active and enjoyed traveling, skiing and scuba diving. A much cherished get away for her and her children was St. Lucia, where they made lasting memories and wonderful friends.

The family would like to give a special thanks to all of Melinda's wonderful friends who have been there for her throughout her fight. She was touched by every card, every visit, every thought, and every prayer as were we. We were fortunate to have Melinda for as long as we did but it was only through the love and compassion of her family and friends that we were able to so. Thank you all.

“ My beautiful sweet Melinda “Dallas” , I have a zillion wonderful
memories of you and our many adventures over the past 30 plus
years. I still recall when we met in the parking lot our first week of
college. The world is surely less bright today knowing that you aren’t
with us any longer. However, your beauty, generosity and the gift of
your friendship will reside with me every single day from now until
eternity. I love you to the stars ❤️💕❤️
