“Melody's smile could light up the room. She faced so many challenges in her life, yet always had a bright and cheerful attitude, even during her illness. This world has lost a beautiful soul. Monty, please trust that her spirit is still with you. Be still and sense her presence. Let the warmth of her love surround you.

Sending our love to you all. Donna and Joe

“Melody was a beautiful lady, inside and out. I never heard her say anything but good things about others. Mel and Monty (her husband) praised one another and always tried to make things easier for one another through all of her long illness. Monty and Melody were truly met for each other. Her family and friends will miss her.
