“ Grandpa

its hard to believe that has been almost 2 years since you made the trip walk alone leaving all of here alone. I know you are better far then we are done here but there is not a day that goes that I don't wish you were still here but I know the tears I cry are for me not you... they say it gets easier with time but it never does at least not for me.... we spent so much time together and I wish angel and heaven could have had that time with you like I did but they loved you more then any words could say, I am glad they got a chance to meet you and spend time with you! the memories that you have made with them will last them a life time! you have taught us so many life lesson which we will still carry on with us and most importantly you and granny showed all of us what true love it was not Romeo and Juliet.... it was granny and grandpa growing old together ... I love you more then you will ever know and I miss you so much!

**** YOU LEFT A GROUP OF FISHER MAN AND SOME HOW YOU LEFT ME, BUT YOU KNOW WILL BE THER MAKES EASIER TO GO ON*** I sure miss you life will never be the same with you not here each passing day as brought much but with God's grace my strength remain I sure miss BUT HEAVEN IS SWEETER WITH YOU THERE love*
