“ I have known Mikey and the Carter family for many years and can say without a doubt Mikey loved and cared for his family and all his friends with all of his self and his heart. He would do anything for anyone. He always knew how to make someone smile no matter what they may have been going through. He was such an amazing person and touched so many people. He loved his family and children so much and was an amazing father, husband, friend, all around human being....he was always doing something on or under a car lol, always fixing cars lol. Its such a shame he was taken so young but although he is gone he will NEVER be forgotten!!!! He will be dearly missed. Rest easy friend.

“ My sincearest condolences to the family. I grew up with Mikey. My best friend and I even babysat him and his siblings a few times way back in the day. He was a great guy with an infectious smile and will be missed by all. I pray for comfort for the family during this difficult time.

“ I never met you, only your wife when I created a keepsake of you and your newborn son and the joy it brought to Martha to give you something so precious to her. I now am creating a memorial for her to cherish forever and never knowing you I know how loved and missed you will be. Hope one day we can meet. Rest in piece and know you are loved.

“ I had the honor of knowing Mikey for 21 years. He was a kind, gentle soul. I'll never forget that smile of his and the ability he had to make me laugh no matter what I was going through. His family meant everything to him and he would do anything possible to make sure they were taken care of. Our love for him will never end and he will forever be in our hearts
