“ *Always heard great things about Mike from his sister Heather felt like I knew him really well. Glad I had the opportunity to meet him briefly on Thanksgiving a few years ago. He seemed quite and very relaxed and by that I could sense a sweet natured person. I know it's going to be such a huge void for Heather and the kids as well as the rest of his family. He definitely was taken away to soon with so much more life ahead of him. God has him now and needed him to be resting in eternal piece. May God now give strength to the family to heal from such a great loss. 🙏❤️*

Thank you Kelly so much for your kind words! I know that he's in Heaven but it's still heartbreaking! I always thought we'd have more time. And we just had plans for that weekend. I know he's at rest and I have faith I will get to see him again!
