“Wow. Gonna miss you Big Mike. Just saw you at the McDonalds a month or so back. We talked about the good old days. Worked with you at 3 different HVAC companies, and you taught me so much about commercial work. From using our work vans to “Bump Draft” down ffx county parkway to covering for you while you made your trips to PA to sitting on the rooftop at OLGc just talking and shooting the breeze for hours. I have so many memories with you man. Catching up with you at McDonalds and you telling me all the things happening in your life. Rest easy Big Mike. Love you buddy.

“I keep thinking about how much I hated working this job I had and Mike would surprise me by showing up at random times with a Mt. Dew & my favorite candy. He always knew how to make you feel better about your situation and you would end up laughing before he left. I'm quite sure there are no other guys like him around anymore. I'm going to miss him so very much!! I still can't believe I can't pick up the phone to call him. He gave me so many wonderful memories that I will cherish.

“ Mike and I rode many trails together. We once rode horseback from Elk Creek, Va to Sugar Grove Va across some pretty rough mountains. I will miss him tremendously and only wish that we had stayed in touch for the last decade.
