“ Mikey,

My dear friend, I miss you. You were there for me when no one else was. I was desperately afraid and alone, and you understood that like a true friend. Thanks for never hesitating. Thanks for charging into the flames with me. Thanks for protecting me, and in turn, all of us. Thanks so much for being truly fearless when it came to doing your best. Thanks for being an example for me of a good son and a great grandson. I was always welcome at the BatCave and having a safe space with a great friend is a priceless gift I will never forget. I will never forget who I am and the days I'll see because you were brave enough to see the signal and answer that call. My most sincere thanks and love are with you and your family always brother.
