“ To our fellow drag racer Mike Minno Sr & family, we are so sadden to here the terrible news of our little friend. He was a very special friend who always made a point to come to our pit area & ask how we were doing. The race track was fun in those days, cutting up, racing hard, & always eating well. He will be missed by all who race with him. May your memories give you strength now & in the days ahead & remember we are thinking of you so much at this difficult time. With deepest heartfelt sympathy.

“ Dearest Libby and Mike~

I was absolutely shocked when I heard about Mikey, and I cannot even begin to imagine your pain and suffering.

During our family get-togethers, when all of us were so young and full of energy, Mikey and Billy were always busy getting into some type of "trouble". I now look back on those times with much fondness, and I will always remember Mikey that way... Full of youth, vigor, and boundless energy as he "flew" around the adults while pretending he was a race car driver.

Love Always...

“ I just wanted to give my deepest sympathies to Mike & Libby & the family . I still don't want to believe he's really gone :(Mikey will be deeply missed by those who really knew him and loved him . He was always happy and a great friend I could always trust and count on . And if I ever needed him he was always there to help anytime day or night . I'm going to really miss the fun times and being able to just walk across the street and hangout with him anytime. I will definitely miss him each day.
