“ Dear Rich, Amanda and Genni,

*We may be more than three thousand miles away but our hearts are with you in Gainesville. As parents and partners, we can only imagine the emptiness left by Michael's passing. Losing someone too early shows how life can be so unjust.*

*We know no words can bring solace at this time however, you must never forget, you were as important to him as he to you.*

*As parents you should be proud that you raised a guy who was a credit to you. As a partner, never forget this kind man chose you above others.*

*Memories will now be the treasured mementoes of Micheal's all too short time on this earth, share them often, you and he deserve it.*

*Love to you all*

“ Your family from over the pond want to send all their love, hugs, kisses and prayers. We will miss the quiet presence of the gentle giant who gave such powerful hugs. His memory will never fade especially not with the family resemblance to Graham and now Daniel. Thinking of you, Amanda and Rich, at this sad time and wishing that we could be over there to support you. Rest in peace Michael and know that we love you.

“ Dearest Amenda and Richard

*I am so very sorry for your loss. I am shocked and loss for words during this painful time. I am remembering the days he passed by the house to go to school, driving by in his jeep waving hello, and chatting with friends. You both raised a wonderful son with great heart and character and I know he adored and loved both of you. Every time he visited you, he showed how proud and honored he was to have you both as his parents.*

*We join you and your family in your sorrow. Our thoughts and prayers are with you during this difficult time and know that i am here for you no matter what.*

*I pray to God for your strength and courage to cope with this loss. I wish you peace in your saddest days and may his love and great memories comfort you in the toughest times. May he rest in peace and be with all the angels in heaven. Please accept our sincerest condolences. Love Zohra and Family*

“ Rich and Amanda,

*Your son will be dearly missed. Your love and pride in Michael was always evident when you spoke of him - he was truly a son that any parent would be proud to call their own. My thoughts and prayers are with you during this incredibly difficult time which no parent should ever have to go through.*
