“ *I am heartbroken to hear of Michael's passing and send my love to all of his family and friends. Michael and Leo became fast friends early on and that never changed even to this day. They had many adventures together when they fell in love with skateboarding. I used to drive them around and drop them off at all of the cool places to skate in the area. As a Mom that was hard to do but I always trusted them to show up when it was time to go. And they always did... usually laughing, with a few bumps and bruises and always with a good story. Michael was a great guy and he will be missed.*

“ Michael was so many things, kind, funny and brave! I found these pictures from way back in the day and wanted to share. Michael had grown his hair out and at some point decided he wanted a hair cut. Somehow he ended up at my house, in my kitchen with pigtails and me with scissors!!! I did not do hair nor did I aspire to do hair, but was like sure I can hook it up.

*Michale you will be missed!*
