“ I knew Mike from Weis Markets, where we both worked together. He stood out from everyone else because he always had a smile on his face, and he always had an upbeat and positive attitude. He will be greatly missed. I know he's in heaven right now with a smile on his face still, and when I get there Mike, we'll get together and do some fishing.

“ I knew Mike for only a short time, but could tell right away that he was a great man. He was kind, funny and kept everyone in a good mood. I'm sorry I didn't get a chance to get to know him better or for us to hang out together. He will be greatly missed by his loved ones, his friends and those who only knew him for a brief time. Rest in Peace Mike.

“ I'm so sorry for your great loss. Losing a child is one of the most difficult thing anyone could go through in life. Michael is an angel in heaven watching over you now. Although I never met Michael, I know that he lived a good life because he was loved by you. He will love you forever & that you will be together when God calls you home too .. until then let Michael's spirit go so he can fulfill God's plan. Remember the fun times you shared together & God will take care of the rest ... I pray that God watch over you & your family during these tough times. Take care.
