“ *We will miss Dennis. While living here in Ohio, years ago at some of our parties or cookouts, Dennis would have the greatest conversations with our neighbor, Mrs Agnes, and also our parents, Archie and Dolores. He will be missed and is in our thoughts and prayers. Love, Jeff and Cindy Mosinski*

“     *DAD*    
*If tears could build a stairway and memories a lane, I would walk right up to heaven and bring you back again
No farewell words were spoken no time to say goodbye, you were gone before I knew and only God knows why
My heart still aches with sadness and secret tears still flow, what it meant to love you no one will ever know
I know you want me to mourn for you no more, remember all the happy times live life there's so much more
You'll never be forgotten, I pledge to you today a hollowed place within my heart is where you'll ALWAYS stay
Love You, Jen xo*

“ Denny was in contact with me virtually every day over the last
couple of years. A recent fan to Hockey he would love to text me
and talk about the games. And beyond that we joked about other
craziness in the world. Of course I first remember the man I met
when first dating his daughter Michelle many years ago. He was a
tough nut who spoke his mind but had a giant heart. He wanted the
best for people.....I will sorely miss our conversations and his
outlook on life. Thank Denny for your time on this Earth and what
you left behind.

Love you,
James Finan
