“ *Neila and Nick,
We are so very sorry to hear the news of Michael’s passing. We are in shock and disbelief over what has happened. Michael will always have a smile on his face looking down on all of us. His smile and happy spirit was contagious. He was a loyal friend to the boys with a kind heart. We all have so many fond memories of the boys playing lacrosse and joking around too. It was such a happy time on our lives for all. We are grateful for all the wonderful memories we shared with him. One moment that will always stay close to my heart is how he treated my youngest son Grant at lacrosse events. He looked after him because he was so much younger. I appreciated that so much. Michael was a protector who was aware of others. He truly had such a kind heart and will be missed. Our hearts ache for your family during this tragic time. Know that you are in our prayers.
Much love and healing vibes,
Christen, Connor, Garrett and Grant Johnson*
