

Michelle Ann Mueller

January 8, 1963 - August 30, 2024

It is with a broken heart that we announce the passing of Michelle Ann Mueller on Friday, August 30, 2024.

Michelle was born on January 8th, 1963, in Muskogee, Oklahoma to Howard and Gail Teten. The family ended up in Manassas, Virginia where she attended Osbourn High School and went on to receive a bachelor's degree from Virginia Commonwealth University. She worked for the American Society of Travel Advisors for the past 31 years.

Michelle re-met her future husband at their 10-year high school reunion in 1991, got married in 1992, and never looked back. Michelle and her husband, Mike, raised two wonderful children, Matthew and Megan. Her greatest joy was to spend time with friends and family, she loved to hike, be at the beach, and gardening was a huge passion.

The past two years she was battling Pancreatic Cancer, which she fought with everything she had. She lived every day with a smile on her face and a positive attitude that was infectious to everyone around her. She passed away peacefully with her husband and kids by her side.

She is predeceased by her parents Howard and Gail Teten and her brother Carl Teten. She is survived by her husband Mike Mueller, her son Matthew

Mueller, daughter Megan Mueller, and her sisters Cindy Leazer and Karen Snider.

We will hold a memorial at 2:00 PM on Saturday, September 28, 2024, at Pierce Funeral Home, 9609 Center St., Manassas VA 20110

We ask in lieu of flowers to donate to the Pancreatic Cancer Action Network at pancan.org/donate

“ As a long time volunteer with ASTA I had the privilege of working with Michelle on many projects. As the president of the Great Lakes Chapter of ASTA Michelle was always willing to help us with our projects. She was such a joy to interact with as she had such a zest for what she did. And she could be very persuasive when she wanted to recruit volunteers for some of her "projects". She was so enthusiastic about ASTA's VTA program and talked me into not only helping with one of the new courses, but three of them! And I enjoyed every minute of collaborating with her on each one. She made these projects fun, while also creating something important and worthwhile. Our board members that worked with her always enjoyed her creativity and dedication. We will always remember her enthusiasm and joy.

“ Mike and kids, I have tried to write several times and find myself at a loss for words.
Michelle had an indefatigable spirit and laser focus on those she cared for and loved. She was a tremendous light among us.
Thinking of you all during this time.

“ Sincere condolences on Michelle's passing. She was a tremendous coworker for the 10 years we overlapped at ASTA - always positive, cheerful and unflappable, even during stressful times at work. Michelle was intensely proud of her children, who would inevitably come up whenever we were at the proverbial water cooler. She was a great one, and will be missed. Sending my families thoughts and prayers to Mike, Matthew, Megan and everyone who knew her. Rest in peace.
