“Michelle was my aunt, my mother Barbara's "little" sister. I love and miss her. As does her sisters (Sherry, Barbara, Lisa and Cathy), her mother (Lela), and her fiancée (Mike "Mikey").

*Michelle was an amazing person and no matter how sick, always found the energy to NEVER let it show when I was around her.*

*R.I.P. Michelle. I love and Miss you.*

*Love  
Christina*

“Michelle was a dear friend since high school. She was a strong person with a big heart and always knew how to make me laugh. Although we grew apart over the years, we still kept in touch and I am grateful for that. I will always keep the fond memories of our friendship near to my heart.

“Michelle..  
When I first saw your face so many years ago and I looked into your dancing dark eyes and you smiled back at me I knew we were a match... Your life was a very long and painful road for you...I loved your calls at work just to see who could beat who at saying I love you before the other did and we laughed..I loved your nickname for me..I will always cherish your face and your enduring patience....  
I love you Michelle....Mom

“Michelle was a friend that we met thru Jackson, several years ago. I only knew her for a short time before her illness began. I admired her strength, determination and courage she had no matter what that day brought. Michelle, you will remain forever in hearts and alive in our memories. God bless you.

“ To Michelle's family...you have been in my prayers for the past two weeks. I pray that the Lord gives you strength and peace during this difficult times. I went to high school with Michelle and she was a joy to have around. My facebook profile picture is a photo of Michelle and a couple of other friends that I took in 1992. It is comforting to know that Michelle is no longer in pain. She will be missed forever, but her memory will always be treasured.
