“ My husband, Swanee (Cowboy) Bridgett, worked with Mickey for several years at Branscome Paving. That's when I found out he was my cousin and lived 2 doors down from my parents, Milton/Bess Verts. Prayers are lifted for the family during this time.

“ I met Mickey through my best friend and sister, Pam Jones. He use to come to her house where she and I worked in Pam's salon. He always made people laugh even though life had thrown him some pretty tough curve balls. His mother Mother was a sweetheart too .And he had a precious little blonde haired girl who I can imagine being a beautiful young woman now. I have pics here somewhere of his wedding day. It was beautiful. I have thought of you often over the years Mickey, as I have thought of my dear loved ones, Pam and Melvin , and their family. You will be greatly missed by many and I pray the good Lord will be with each and every member of the family and give the comfort and peace that only HE can.
