“ Well I guess reality is finally setting in. You're actually gone and the world just doesn't seem as bright. You were my first true love and ended up being my best friend. I feel like I lost a piece of me. We had so many talks over the years all of this just feels surreal. I keep thinking my phones going to ring and I'll hear "Can I speak to Ms. Carhann please" I miss those calls. Don't worry, I'm going to make sure Kylie is ok and making the right decisions. We miss you so much and I'm certain I'll see you someday. You taught me so much about myself and about life and I won't ever forget that. Fly high hambone. Xoxoxo

Mike, where do I start? Met you through my son, Richy, playing ball and grew to love you as one of my own. Matter of fact, you always called me Mom. Even after you paved my driveway, you would stop by periodically, just to say " hi, I love you,Mom", and give one of your good hugs. I'll miss you dearly, but by Gods grace, I'll see you again...Love ya. Mom..
