“ I have known the Caton family since April 2007.

I cared for "Ms. Millie" and "Uncle Louis" as their home care provider for several years. They and their four children, Wes, Deb, Jeff and Jason, brother Paul, Sister Maggie, son and daughters-in-law, their grand children and great-grand children all welcomed me into their home and made me feel like part of the family. I had the opportunity to also introduce my mom, husband and children to her.

After Uncle Louis passed a few years back, Ms. Millie and I spent more time together. We had so much in common. We both loved Jesus so we talked a lot about Christ and Heaven and visited each other's church on occasions. We also prayed for each other's family. She had three "hunky" sons and one beautiful "petite" daughter and I have the same. Her daughter Deb's middle name is Sharon and mine happens to be the same. We are also about the same age!

One of the many things that stays with me is Ms. Millie's selflessness. I needed to have a document notarized a couple of years ago, and I was shocked when she offered to go through a cold winter evening to do it for me. I was in awe as I watched her on her cane, not able to hurry through the bitter cold. We shared many days of fun, laughter and heartaches together.

I loved Ms. Millie, we told ourselves how much we loved each other whenever we could. and I will forever cherish those memories. I know where you are now "Mom" in the loving arms of the Lord!

*My heart and prayers go to the entire family. With much love.

“ Millie was our neighbor for 20 years. We could not have asked for a better friend or neighbor. When we had troubles, she was there for us and when we had happiness she rejoiced with us. We loved her dearly and will miss her terribly. It was our honor to know her and we take comfort in knowing that we will see her again in Glory.

“ I will miss the silence between 7 pm and 8 pm, Monday through Friday at Mom's. Mom was a lifelong fan of "Wheel of Fortune" and "Jeopardy"...no need to try and call Mom during those hours. She really enjoy watching these two shows every day. I am so glad and at peace that Mom did not suffer when she passed away Saturday morning. I will cherish the memories of Mom's "wisdom" she passed along to me. Priceless. I love you and miss you, Mom, and rest assured that I will take good care of April as we get through this together. April really loved you and you did an outstanding job being a "Mom" to both April and Shiah. Rest in Peace now and tell Shiah and Barbie that we're okay and we look forward to the day when we will join you and Dad in Paradise. Love, your firstborn son, Wes.

“ Our family didn't know Millie that long but we so enjoyed the time we had with her. I will never forget when I asked if she knew who I was since we had only met one time and she responded with, "Of course I know who you are. I am old but not dead." I fell in love with her right then. From our talks, I know she is with Jesus in Paradise today. The grieving is for those who are left behind. May God bless each of you until you see her again.

“ I am sorry to her of Millie's passing. She will always be one of my fondest wrestling moms. She was a great support of her children in what ever they attempted and provided a life time of memories for me and the Tiger wtestling team.
