“ Dave & I worked with Millie in the old EOC which was located in the basement of the Massey Building in Fairfax. We remember her as an excellent worker. She loved her family and spoke of them often. When she retired it was a huge loss to Fairfax County. Our condolence to her family .

“ During my career with FCPD, I spent a year in EOC and worked with Millie. She always had a smile on her face and was always an upbeat person, willing to help you in anyway. Millie was that "Mother" influence with all who worked with her and a finer person you could not meet ! After a year in EOC, I went back on the street, but always had contact with Millie through the course of the Shifts ! She was a "One of a Kind Person" that you never forget !A Great Individual !

“ I remember Millie fondly from the "old" days in EOC. She was the "go to" person for us rookie civilians, and never minded helping in any way she could. From reading the obit, it looks like she had a very fulfilling life, full of grandchildren and great-grandchildren. How wonderful for her!

“ I too worked with Mrs Cumbie (in all the years we worked together, I always called her this!) beginning in the old Massey EOC and then at Pine Ridge. She trained me in teletype when I first came over from Herndon PD. Mrs Cumbie knew EVERYTHING about teletype, VCIN and NCIC, and I learned so much from her. She was so fun and chatty during our shifts together, and I really enjoyed knowing her. Thank you Mrs Cumbie, for being a great instructor and a great lady. Blessings to the family.

“ I worked with Millie for many years in the old EOC and newer PSCC. She was always on the same squad as me. She always had interesting stories to tell and was so helpful with teletype issues; she was a wealth of information and so patient with the newer employees. My sympathy to her family.
