Keta, your family sent you out in style and dignity, like you deserved. Your service was beautiful! I will miss you so much when I come up to visit Jo. When your daughter called, I was in total disbelief. There you were consoling me about my husband. You were the last person on this earth that I would have thought would go home to be with the Lord next. I really loved our time together and so appreciated everything you ever did for my sister. You were more than a friend to us, you were family. Fly high with the angels Sweetie! Rest in Peace.

Love,

Mary Ann "Bae" Hernandez

“ Oh cousin...I don't even know where to begin. I will forever keep the memories of our childhood in mind. I will forever remember the wonderful, funny, outspoken person you were! I know you struggled when Dacia passed because you guys were two peas in a pod. What brings me comfort is you are with Dacia now and I can only imagine the fun you two are having ❤️. You will forever be missed and your legacy lives on through your children and grandchildren. Rest in peace cousin❤️

“ My GEMINI sis will truly be missed. We made sure we said “Happy Birthday Twin “ on each other’s bday since mine is on the 9th. I’ve known Naketa and Daci since we were probably 9 Yrs old. We all grew up on WESMOND DR. As little girls we use to make up dances and then perform our dances in the street growing up. As young Ladies we hit the club at least 3 to 4 days a week. We always had a great time together along with our DELRAY CREW. Naketa was a good friend of mine and saddens me again another great friend/ sis is gone but never never forgotten. R.I.H. Love you Gurlll 🙌🏻💔 VEENIE
