“ I am sorry to hear of Aunt Nancy's passing. I am also sorry to say that over the years, I did not keep in touch as I should have, although my memories are wonderful to me...I remember that Cindy and I were just 3 days apart in age, and I was the only daughter of Burns Thomas, Nancy's only brother and they were very close. Often Uncle Homer would stop and pick me up on Friday night after working and bring me to their home in Haymarket and i would stay for the weekend. I loved those weekends! We would play and laugh and have wonderful times as children do...fireflies and popsicles from Melton's store, Cindy and Patty showing me their baton routines(!)Barbie Dolls... Bruce hiding from us and our antics...going to Grandmom & Grandad's and playing with the toys on their back porch or the little cabinet behind the stove in the kitchen and I see Aunt Nancy with her big brown eyes and her generous hugs and her love and devotion to her husband, her parents and her children..and her brother. I loved her very much. She will be missed.
