“ Nancy's kindness and generosity will always be remembered each and every time I was in their home. The invitation was always open and welcoming. I still display some of her talented sewing gifts. In the coming days, may Clyde, Victor, and Eddie hold MANY more memories to cherish. Kindness and generosity are wonderful things to be remembered for. We should all feel blessed she shared those qualities with us, no matter how brief or for how long.

“ Dear Nancy,

I m so happy that you were my sister. You were always so positive and loving. When I think of all the children you helped to raise for so many years, and all the beautiful handmade gifts you made and gave to all of us over the years with so much love ...

I m so sad that you had to leave us so soon, but I know that you ll continue to be our Guardian Angel. Love you always, Janice

“ Although I did not know Nancy , I know one of her sons. It takes a special woman to raise such a caring and compassionate son who routinely puts his life in harms way to help others. May her family find peace in the many memories they shared during her life on Earth
