“ *My heartfelt sympathies go out to Maggie, Susan, and the entire family at the loss of a wonderful lady. These last few years have been difficult. However, I will always remember the fun times I was lucky enough to share in Nancy's company.*

Everyone is aware of her passion for Bridge, at which she seldom lost. Certainly not when I was at the table. She was quite the competitor, at any game.

I will cherish my one victory, in a game of Password, late one night on Topsail Beach.

Having kept Nancy and Jean up way past their bedtimes, Maggie and I were able to prevail! Nancy may have forgotten, but I never will.

At this sad time, may we all look back and find those moments of joy and smile.

Love,

Pat Stiles and family
