

Nancy E. Maxfield

March 3, 1940 - April 17, 2021

Nancy Ennis Maxfield passed away peacefully on April 17, 2021.

Born March 3, 1940 in Manassas, VA, she was the daughter of the late Mike and Grace Ennis. Nancy moved to Falls Church in 1962 with her husband Wayne. She loved listening to country music, watching baseball, reruns of Gunsmoke, and her “stories” aka soap operas. Even from a distance she was always in the know about her children, grandchildren, great-grandchildren, friends, and neighbors, and she surrounded herself with photographs to preserve those memories. In addition to raising her three boys she provided in-home day care to numerous families, who weren’t just her clients, she loved their children as her own. Her passion of baseball came from being active in little league for many years as the team contact for all three sons. She had an infectious laugh (sometimes untimely and to the point of tears), a generous spirit, and a sweet disposition.

She is survived by her loving husband of 59 years, Clarence Wayne Maxfield; two sons David Wayne Maxfield and wife, Karen and Douglas Michael Maxfield and wife, Tina; five grandchildren, Ashley, Bryan, Hannah, Harley, and Kaylee; eight great-children; one sister Linda Anderson; and many nieces, nephews, cousins, and friends.

In addition to her parents, she is preceded in death by one brother, Roy Ennis

and her beloved son, Paul Wesley Maxfield.

The family will receive guests at a viewing on April 21, 2021 from 5:00 pm to 7:00 pm at Pierce Funeral Home.

A private service will be held on Thursday, April 22, 2021.

All are welcome to attend the graveside service at 11:30 am on April 22, 2021 at Stonewall Memorial Cemetery in Manassas, VA.

“ I have many wonderful memories of my older sister Nancy. I cannot remember ever having a serious argument with her including the time I wrecked her new car in the back yard. She had just gotten home from work. I got in her car, took it out of gear, and drifted it into the yard. Unfortunately, I could barely see over the steering wheel and I steered the car over a bale of hay. A fan blade under the car was bent as a result. The engine made a horrible grinding sound when the car was started. Our dad straightened the blade and the car was good as new. She had every right to kill me, but said nothing. Wow, what a sister!

-I also remember buying Little Tavern hamburgers and chocolate milk for lunch when we shopped together in Clarendon, VA.

- Nancy loved warm cashew nuts that she bought at Murphy's 5&10. On the way home, the car smelled great from the freshly roasted cashews.

- When she was learning to drive, our dad took her out to Dulles Airport, which was under construction, and let her drive on a newly paved runway. I was the lookout in the back seat to watch for anyone chasing us. It was an amazing adventure!

I have so many wonderful memories of growing up with her. I will miss her forever!!

“ *The Maxfields were extended family so many wonderful memories growing up on Peabody drive the best street in pimmit hills. We grew up in a time where all the parents on our street were your parents and all the kids were your brothers and sisters and there was a lot of us. They say it takes a village to raise children and and that’s exactly what we had. You were taken care of, feed and given hell when needed by all the parents whether they were yours or not and you respected them and listened. You went to there houses to sit and talk and visit with them. You loved them all as family!!! Such a beautiful and memorable way of life!! Mrs. Maxfield you will be greatly missed by so many, may you Rest In Peace your infectious laugh is what I will always remember and will treasure always. Mr. Maxfield, David and Doug my heart is heavy for you. You are being kept in my heart and prayers love you to the moon 🌙 and back 😘😘 Deb*
