“ My dear aunt Nancy. I am saddened that you have left us but I am positive you are in a better place with no pain. The lord has taken another angel that was oh so dear to me. My momma that you were to me for all these years. I will always remember the good times and some not so good times, but thank you for always being there for me. Talking on the phone with you every night was a blessing to me. All my kids say you made the best grilled cheese sandwich ever. Lol...you had wings of an angel ready to fly away but my heart was not ready for you to fly away....but you will always have place in my heart and I will carry you with me always in a special place in my heart. I will miss you forever. God bless you my dear aunt Nancy...RIP my lovely "momma" 😊💕 love, cathy jean 🙏
