“ Nancy was something special that's for sure! When I first started at Subway she put me through my paces. I can't tell you how many times I was in her way! But once I "passed" according to her, she was the sweetest, funniest one there. I'll miss her but her light will shine on in all of us whose lives she touched. Rest in Peace Nancy....we will all remember you well!

“ I knew Mrs. Shirley from Frost Middle School. She was such a sweet and wonderful lady. I spoke with her several times since we both retired from FCPS. She was the same sweet lady that I remembered. I was just thinking about her this past Saturday because I hadn't seen her in a while. We often ran into each other at Walmart or Martin's. It was so sad to read about her passing. My heart goes out to her family during this time. She was loved by all and I know she will be greatly missed. RIP SWEET LADY.

“ Dear Bill and family,
Nancy and I worked together for over 10 years at Frost. That's where this picture was taken. The work was hard and we made sure we took time for some laughs each day to keep us sane. I think I could have worked there another 10 years with her because we enjoyed each other's company so much. Nancy was up front and honest and had a laugh that I can hear in my head to this day. I am so sorry she's passed over and can only imagine the loss your family is feeling. You're all in my prayers for peace and His comforting touch. I'll never forget Nancy...she will remain a fun and happy memory for me always.

*Most sincerely,
Linda Baird and family*

“ *Nancy may have worked for me but she WAS Subway... she was the first to greet the customer and barked orders at them if they didn't know what they wanted. It was so funny... a few men invited her out for a beer.. her response was "I AM NOT GOING OUT FOR A BEER WITH YOU!!!" Or they say "have you been drinking???" to get her going. If they ordered something different then the day before she's say >> WELL< THAT'S NOT WHAT YOU ORDERED YESTERDAY!" LOL.. The guys sure got a kick out of her, that's for sure. She will be so missed. She was family. Seresa knew her as her other Grandma. Rest in peace sweet Nancy. The store will never be the same and neither will we. xoxo*
