“ To all the loving family members of "St. Nancy",

Our family has been blessed to have Nancy as part of our lives for the last 10 years She was patient, kind, generous, tolerant, funny and oh-so- loving. She had a wonderful way with flowers and people. She was always "other-focused" and it's fitting that at this time of Valentines, she was the perfect example of someone who lives LOVE. We will miss her. Thanks for sharing her with us.
