“ There are so many memories that I have of Nathan, but some of my favorites are when he lived over off Cappel Dr, we were so young he couldn't have been more than 20 I was slightly younger....Anyhow when the weather was nice and softball season was in he use to take me to practice him an our boy James(Cracky) in that yellow Ford! Man how I loved that damn truck! I'd jump out and they'd slowly pull away revving that engine hanging out the window with the music wide open! He'd then stop turn the music down and holler he'd be back soon crank the music right back up and peel out...lol It's like plain as day his bright smile, I can almost smell his damn cologne not to mention that bottle of Hennessy that'd be sitting next to him! I hate that he's gone, he was such a dear friend of mine. I know it had been yrs since we spoke but that was something I had to do bc of my issues but I also know that what we had never changed. Nathan was a great person and even in some of his darkest times he always seemed to shine! He will truly be missed, and forever loved! Rip my friend I love you! Love Tina Shillingburg(Brower)
