“ To the family of Nell Carter. I have known Nell for over 20 years through the Extension Homemakers Council. She was VERY active in the 1980's and long before I was even involved. She always had a determined way about her and we always knew her focus. Focusing on the goal of Extension Homemakers as it had been since 1911. She was a member of the Buckhall Club and was a respected member who genuinely cared about the members. We will remember her for her warm smile and dedication. You will be missed Nell.
