

Nicholas Blaze Damon

April 21, 1999 - January 17, 2025

Nicholas Blaze Damon, age 25, of Fairfax, VA, was received into Heaven on January 17th, 2025.

Nick was born at Ft. Riley, KS on April 21, 1999, to Terri Lynn and Kevin Damon, and loving sister Marina.

Nick spent most of his life in Fairfax County. He attended Fairfax County Public Schools- Camelot Elementary, Luther Jackson Middle School and Falls Church High School. He was a scout with BSA Troop 1532 and enjoyed spending time with his friends playing video games and working on cars. He successfully graduated from Northern Virginia Community College with an Associate's Degree in Psychology and George Mason University with a Bachelor's Degree in Psychology.

He started working for Jim McKay Chevrolet in high school, and stayed with that automotive path that he loved so much working with O'Reilly Auto Parts. His kind, gracious, vibrant spirit and eternally open heart always led him to helping others. Whether that was on the road helping someone put out a fire in their car, or pushing out cars stuck in the snow, his first thought was always how to help others.

Nick is survived and loved by his mom, Terri Lynn Damon, his dad, Kevin Kim

Damon, and his sister, Marina Renee Damon. His grandparents, aunts, uncles, cousins, and dear friends continue to hold him and his spirit in their hearts.

Nicholas will continue to be loved dearly and missed every day by his family and friends.

In lieu of flowers or a memorial gift, Nick would have requested donations to charities that serve the needs of others, to include mental health awareness, and any other service-oriented organization.

I have just learned that this sweet soul is no longer with us. My heart breaks for your family and friends. Though I knew him through our FCPS work together, I considered him a dear friend, like a son to me. His infectious smile and gentleness are how I will remember him.

“ Sorry, Nick, I was not able to say goodbye to you. But it’s probably better that way so my memory of you will remain as that of a young lad with sweet and engaging smile, so polite and friendly; you seemed to be always happy, just cheerfully hopping around. Remember how we talked about your sports car and how I envied your lapis lazuli color because that’s what I wanted for mine. Now that you’re happily situated up there, look ‘down on us sometimes for old times sake and don’t forget to reserve a good seat for us when our time comes around. Love you Nick, Puring (your former neighbor with a dogwood tree)
