“ *What a precious "Friend, Sister, Little Daughter", Nikki was in my life. She was in our home many times when in Waynesboro & we shared many sweet times. She was very close & very much apart of our family. Loved her more than could ever be known. Will miss her so but to know that she made Heaven her home & one day will see her again helps the grief we hold in our heart. May ALL her Family be blessed & may the Lord comfort each heart.*

“ Bryan, Uncle Lenny and Sis Linda, Brandon and Nathan. I'm so sorry for the loss of your wife, daughter and sister. She was a great person who taught each and everyone of us the importance of selfless giving and friendship. Nikki was such a happy person who never complained no matter how she was feeling. I'm so sad that my flight was cancelled and I was unable to make it to town. Nikki was a dear friend who I loved very much and I will cherish all the wonderful memories. We all know Nikki told us just how it was and that's what we loved about her. I'm so thankful to Shane B who donated one of his kidneys to Nikki allowing her to have a wonderful life she did. We are all so thankful for your generosity Shane. God needed another angel and he got one of the best. I will miss your laugh, crazy text messages and our talks. Nikki, I miss you and love you.

Love,  
Candy

“ A sweet and dear friend and she was like an older sister to me and her family like family since known me since I was a baby. She has gained her beautiful wings too early, even though she has been through a lot from a young age. My heartfelt condolences to her dad, brothers, mom and her husband, all the relatives and friends. We have lost a great lady and she was so much fun to be around. Her smile was so beautiful and a very beautiful person inside and out. I am so glad I was able to know you when I did and even when we got reconnected again after many years it was awesome. I will miss you dearly. Love and hugs, Dara Lynn Gilliland - Williamson

“ *Words cannot describe how I feel with the passing of my friend Nikki. Our friendship lasted 30 years. She was 11 and I was 16 when we met and have remained close friends ever since. Even though we did not talk and see each other often, we knew our paths would eventually cross and we would catch up on each other's lives. I know she loved me, Tony, Luciano, Roberto and Julietta and we loved her. She was always cheerful and never complained. I have so many fond memories of our times together. I know how much I will miss her--I can't comprehend how much her family will!!! May God comfort you all and I love you, Misti Pugliese*
