“ *Yesterday I lost my Best Friend and "Other Mother". She was the  
best listener when I needed to vent, always had a shoulder to cry  
on, but quick to tell me when I was wrong. I learned so much from  
her and will never forget her loving, kind, generous and genuinely  
caring big heart. I love you Theresa and will miss you always,  
Debbie*

“ Darrell and family, on behalf of Terry's colleagues in the Office of Defense Trade Controls, U.S. Department of State, I wanted to express our heartfelt sadness over your loss. Many of us who worked with Terry, some for more than 20 years, remember her dedication to our country and her illustrious service as a licensing officer. Terry was not only a colleague, but a friend to many in DTC. More than one of us has expressed shock at this news. We simply were not aware of her decline and wished we had an opportunity to say good-bye and God speed. Many too remember Terry's abundance of enthusiasm, personality and straightforward delivery of the truth. We know she loved and cared for you very much, her children and extended family. I personally remember many stories she regaled us with upon the birth and subsequent growth and development of Gabbi, her first grandchild. With deep sympathy, Daniel Buzby

“ Dear Darrell and family,

*I was a colleague of Terry's at the State Department. I remember her most fondly as an accomplished and remarkable woman, who always was ready to smile, extremely proud of her family, and a force to be reckoned with when it came to standing up for what was right for our country. My deepest sympathies and prayers are with you.*
