

## Norbert Werner Stocker

January 17, 1950 - April 3, 2026

Norm was a devoted husband, proud father, and loving grandfather whose life was defined by strength, loyalty, and deep love for his family. He is survived by his beloved wife, Renate Stocker; his son, William Stocker; his daughter, Christina Fling; and his cherished grandchildren, William Tyler Stocker, Gavin Matthew Stocker, and Chrystiana Jaymes Fling.

Norm's journey began abroad, and he was a proud graduate of SHAPE International High School, Class of 1969—an experience that helped shape his global perspective and lifelong resilience.

A proud veteran, Norm served his country with honor in the United States Army, retiring as a Chief Warrant Officer 3 (CW3). His military career reflected his discipline, dedication, and unwavering commitment—qualities that carried through every aspect of his life.

Outside of his service, Norm embraced life fully and found joy in the things he loved most. He had a passion for riding his motorcycle, enjoyed the camaraderie of soccer and bowling, and had a special place in his heart for animals. His bond with his granddog, Rocky, brought him endless happiness and was a reflection of his gentle and caring spirit. He was also a fan of classic Westerns, appreciating their timeless stories of grit and honor, and he proudly cheered on his beloved Philadelphia Eagles with unwavering loyalty.

Norm will be remembered for his quiet strength, his steady presence, and the way he showed up for the people he loved. He was someone his family could always depend on—strong, supportive, and full of heart. His legacy lives on in the values he instilled, the memories he created, and the love he gave so freely.

He will be deeply missed and forever remembered by all who knew and loved him

“ *I remember playing high school football with Norm in Belgium. He was a talented soccer player who brought those skills to American football, particularly his fake run followed by a quick kick that always caught the defense off guard. He was a lot of fun to hang out with and was a very gracious host.*

*Norm was a good friend. His quiet demeanor was something that touched me because he had a hidden strength you could see inside him. We had classes together and spent time at the Teen Club there on SHAPE. He will be surely missed by family and friends. He and Renata were a fun pair to hangout with. God Bless!*
