

Olegario Baybayan

March 6, 1934 - October 6, 2024

Olegario Baybayan, age 90, passed away peacefully on October 6, 2024. Born in the Philippines, Olegario left his homeland to proudly serve in the U.S. Navy, followed by a career in Civil Service. He was a humble man who lived a life of dedication and care. Olegario was married to Irene Baybayan, and together they raised their son, Daniel, who went on to become a pilot for United Airlines.

Olegario's greatest joy was being a grandfather to his two granddaughters, Lauren and Christine. Lauren is a high school graduate and is training to be a pilot, following in the footsteps of her father. Christine is a high school student who proudly plays volleyball on her school Varsity volleyball team and for American Volleyball during club season. Olegario played a central role in their upbringing and was with the girls from the very beginning to proudly care for them while their parents were at work.

An active man, Olegario enjoyed his daily walks, often found strolling through Dominion Valley Drive in Haymarket, where he lived. A private military service will be held this week at Quantico National Cemetery in his honor.

In lieu of flowers, the family asks that you take a moment to honor Olegario's memory with a walk. If you live in Dominion Valley, please walk along Dominion Valley Drive, where he once walked daily. If you are elsewhere, step

outside and enjoy a peaceful walk in his remembrance.

Please keep his wife, Irene, son Daniel and his wife Rebecca and their daughters, and his entire extended family, including Tirso and Revelina Baybayan and family, Florida and Bobby Bautista and family, and Eladia & Marcelina Baybayan and family—in your thoughts during this difficult time.
