

## Onekeo Darasavath

January 1, 1924 - May 23, 2026

With heavy hearts, we announce the passing of Onekeo Darasavath, a beloved mother, grandmother, great-grandmother, and cherished pillar of the Lao community.

Born in Laos on

January 1, 1924, she passed away peacefully on May 23, 2026 at the age of 102 with her family by her side.

Onekeo was a woman whose love knew no limits. She was survived by her seven children, 22

grandchildren, and 30 great-grandchildren, all of whom were blessed by her endless care, wisdom, and generosity. To her family, she was the heart of every gathering and the foundation that kept generations connected.

Known and loved throughout the Lao community, Onekeo dedicated much of her life to helping

others. She was a strong advocate and supporter of the Wat Lao Buddhist temple and took pride in

preserving Lao culture, traditions, and community values. Her presence could always be found at

Lao events, celebrations, ceremonies, and gatherings — if there was a community event, everyone

expected to see her there with her warm smile and welcoming spirit. Her kindness extended far beyond her own family. She opened her home and heart to many children, caring for them as if they were her own. She believed deeply in helping others, offering guidance, comfort, meals, and support to anyone in need. Her generosity touched countless lives.

One of the greatest ways she showed love was through cooking. Family and friends will forever remember her delicious meals, the laughter shared around her table, and the way she made everyone feel at home. Feeding people was one of her love languages, and no one ever left her home hungry.

Onekeo leaves behind a legacy of compassion, strength, faith, and community. She will be deeply missed by all who knew her, but her love and spirit will continue to live on through her family, her community, and the many lives she touched. May she rest in peace
