“ I'm so sorry to hear about Ovie. I only remember meeting him once back around 1980. He seemed like such a nice person. I always thought of him as a genius. My thoughts and prayers are with you all. May God wrap you all in his loving arms of peace. God bless Jeanie.

Gloria, Dwight and Tricia, we were so sorry to hear about Ovie. You have been our neighbors for 18 years and we will miss seeing Ovie and his big smile while riding his lawnmower. God bless you and know that we are here if you need anything. Gerald and Cathy Pendley

I only got to meet and talk to Ovie a hand full of times, but he was always genuine and nice to me. I have mad respect for the way he took care of his Mother (Granny) in her final years; I helped him and Nick load her belongings in a moving truck when he moved her to Virginia; so we had some good bonding time then. I wish I could've lived closer and known Ovie even better. He'll truly be missed.
