“ My sincere prayers and love go out to all of Pam's family and friends. I am so happy I was able to reconnect with Pam again a few months ago as we spoke on the phone and as I remember from our younger days her strength was beyond remarkable. She spoke with pride and love about her family and I was truly blessed to call her my friend. I know that Pam and Liz are together again and watching over each of you and I hope this brings some peace to your loss. Love and prayers to ALL!!

“ I cannot even begin to tell you how sorry I am over the loss of Pamela. She was a true joy to be around, always busy, never sitting idle for any length of time unless she was ill. We had such a good time going to her favorite Wednesday shopping spot. She was an angel to so many people and fought such a long hard battle. She will be remembered for her thoughtfulness and willingness to help others. My prayers go out to Paul, Josh, Quentin, Hunter, Fred, Janet, and her sisters and brother, as well as all the nieces and nephews, and brothers/sister in-law.

“ My memories of Pam are so vast that I could go on for days. We were young, dumb but oh so much fun. Working at the bars, living in the apartments of Springfield we were thick as thieves. Today every moment I remember I smile because I was so blessed to call her my friend, my sister. I will miss you Pammy but I know that we will be together again. I Love you my friend soar high! We will watch over your boys here. Lots of love and prayers for you all.

“ We will miss such a wonderful person & wonderful mother. I have been upset about her passing but, just got overwhelmed when I realized it was on my son's (Trey's birthday.) I know she will take care of him as she did her own. And, we will be with them in the future. We will take care of her boys so she has no worries about that.
