“ Pam was the best English teacher at Brentsville. The very first year I attended Brentsville was my sixth grade year and she was my teacher and then again in ninth grade. Her wisdom and sense of humor have really stayed with me throughout the years that I've been out of Brentsville. My condolences go out to all of the family and friends. She was a truly magnificent person and she will be forever missed and loved.

“ Dear Magee Family,  
Pam Magee was a wonderful English Teacher for ME and a good friend of my dear mom - Fran Donlon. I remember so many wonderful things about Pam - her enthusiasm and school spirit! Her JOY when becoming a MOM. It was so much fun to ride down Beauregard to see all the love she put into the house and see the kids playing in the yard.

I was so saddened to hear about your loss. My mom suffered from the same horrible illness, Ovarian cancer. I like to think that they are both in heaven now chatting about their lives together in Manassas and reminising on the good times. Lots of love and prayers to the Magee family. Pam was truly an angel here on earth!

“ Please accept my heartfelt sympathy. I knew Pam from BDHS where she taught my daughter, Heather. We instantly liked each other, she had a great smile and wonderful personality. We used to catch up with each when she worked at the Ivy Door. I truly know your pain as I lost my husband of 35 yrs. to cancer as well last July. You are in my prayers.

“ My memories of Pam's devotion to serving youth date back to our days in the Junior Woman's Club, when she found places for all the warm winter clothing, outgrown boots and other children's items we all had to share. Even if recent months, when I would see arrived ready to visit, get her toes painted red and laugh at every possible opportunity. She is forever my role model for grace under pressure.

“ Dear Magee Family;  
I worked with Pam at the Flower Gallery. We always had a great time together. One night when we worked late, I hot glued her shoes to the floor. We laughed all night. What a lady, what a teacher who will be missed by many. My son Eric was blessed to have Pam as his english teacher at Brentsville. She was so good to Eric, as his mother and I were going through a divorce. Pam loved him like her own. Eric and our entire family have been saddened by Pam's death.

Our prayers of sympathy are with each of you. Pam is in our hearts and no one can take that away. God Bless!

“ Our daughter, Candra, was a student of Ms. Magee's this past year. We moved from Montana in the fall of 2006 and Candra started her Senior year at Brentsville without knowing a soul there. It has been a difficult year for Candra, but she was blessed to have been placed in Ms. Magee's Leadership Class. Through all of the struggles this year, Candra constantly felt support, love, concern, and confirmation from Ms. Magee. Her classroom was a wonderful haven for Candra to go when things would become overwhelming at times, when she was feeling lonesome, or when she just needed a safe place to go. We know that this life is merely the beginning, that Candra will see her again, and that we will have a chance to thank her personally for being so wonderful to our daughter by and by, but in the meantime, we wanted you to know what a blessing she was in our lives. Our deepest sympathies go to you at this time of great loss in your lives.
