“ *I didn't know Pam personally, only virtually. She was an active member of our Schnauzers of the Northeast group on FaceBook. That's how I knew her and her wonderful pups. I was saddened to hear of her passing and myself and others noticed her absence in our group. My condolences to her and her family. There will be an empty space in our wonderful schnauzer group. May she rest in peace and be joined with her pups.*

Jill - I too noticed her absence and I know she loved her Schnauzers. I am certain that her pups were right there to greet her. She was such a wonderful person to work with and know.

I too only knew Pam through our Facebook mini Schnauzer group page..I found her to be kind and so welcoming..I knew she loved her dogs..I noticed she had not posted for a bit and reached out to our group leader only to learn the sad news. I think she would be happy to know that Sally was adopted into a new loving home. My condolences to her family.. from what I've read about her life, she led a very good, kind, and helpful one.
