“ *My Dear Friend (Mrs. Pansy)*

In my darkest hour, when I was lost in deep despair, I turned to you, and slowly, things began to change. Over time, I found reasons to smile again... and the mountain that loomed so tall in the distance, was suddenly something I knew I could conquer. You gave me the tools to pick up the shattered pieces of my life, and move forward, cautiously, with confidence and determination. When I think about all that I have gained from your wisdom, your insight, and your genuine capacity to care about others, I realize that I have been blessed, just to have known you. I feel stronger, now, and I know in my heart, that much of the strength I have gained is due to you. So, thank-you, My Dear Friend, for guiding me out of the darkness and into the light. I know that clouds will gather again from time to time, but I also know, that eventually, the sun makes it's way through those clouds. I know this because of you! I'm going to miss you so much. Bless you and your family 🙏.
