Dear Margaret, my heartfelt condolences on the passing of your sister Pat. I remember how loving she was when I met her, through you, when we both worked at Marsh & McLennan. Pat will always be remembered in my heart. The world is a lesser place without her in it. Heaven has gained an angel and I am certain she is watching over you. Praying for you and your family for God's comfort during this truly sad time. Love, Patricia Brown Serva, Ocala FL
